

New Milton Dementia Action Group

New Milton Dementia Action Group has a site approved for setting up **community allotments** for use by anyone who has dementia or an association to dementia. This allotment will be purpose built to include raised beds with paved areas to give access to all and a place to sit under cover to rest or to watch the gardens around you.

This is an inspiring community project which has the support of New Milton Town Council.

We are now looking to set up a volunteers steering group to assist with moving the allotment project forward to springtime, when we will be opening the allotment to the community. If you feel you could volunteer or help in anyway please complete and return this form with your contact details.

Or contact Susan Wiffen on 07884 300641 suechef@live.co.uk or Joanna Hayward on 01425 619120 joanna.hayward@newmiltontowncouncil.gov.uk.

This unique and exciting community project is going to be an amazing initiative to be involved in and we look forward to welcoming you to our group.

Tick as many as you like

I would like to be an active member of the allotment steering group	
I would be interested in volunteering at the allotment with the dementia friendly group	
I could volunteer to look after the allotment during out of group hours	
I'd like to donate tools or plants or seeds etc	
Please let us know of anybody (affected by dementia in anyway) who would be interested in coming along to the allotment space
